Five Cup Salad

Ingredients

- 1 cup chunk pineapple
- 1 cup mandarin orange
- 1 cup coconut
- 1 cup small marshmallows
- 1 cup Cool Whip

Instructions

1. Mix all ingredients together.

Editor's Notes

- **"303 can"** - a standard can size of the era, holding roughly 15-16 oz. The writer says she always uses a 303 can of pineapple and a can of oranges. The card does not say whether the pineapple is drained, so draining is not stated in the instructions. Draining the fruit is commonly done for this salad.

Five Cup salad

1 cup of chunk pineapple
1 " of madorin orange
1 " coconut
1 " of small marshmellow
1 " of cool whip
mix altogether.

I always use 303 can of pineapple and can of oranges imbay take little more cool whip.
