Light and Fluffy Yogurt Pancakes

Puget Power promotional card

Makes 10 to 12 pancakes

Ingredients

- 1 egg
- 1 cup milk
- 2 rounded Tbsp plain or flavored yogurt
- 2 Tbsp melted butter
- 1 cup all-purpose flour
- 1/2 tsp salt
- 1 Tbsp sugar
- 1 Tbsp baking powder

Instructions

1. Combine egg, milk, yogurt, and melted butter in a mixing bowl or blender. Stir until blended.
2. Pour in dry ingredients. Beat with a wire whisk or mix with blender until batter is smooth.
3. Drop by tablespoonfuls onto a hot, lightly greased griddle.
4. Brown on both sides.
5. Leftover batter can be refrigerated in a covered container for several days. For each cup of batter, it may be necessary to add one or two tablespoons of milk in which 1/2 tsp extra baking powder has been dissolved, just before cooking pancakes.

Recipe: Cut out & save.

Light and Fluffy Yogurt Pancakes

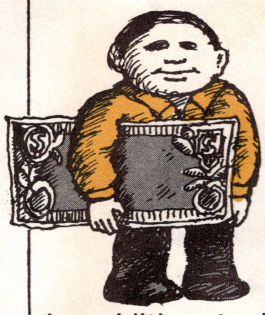

(A before school or weekend treat)

- 1 egg
- 1 cup milk
- 2 rounded tablespoons plain or flavored yogurt
- 2 tablespoons melted butter
- 1 cup all-purpose flour
- ½ teaspoon salt
- 1 tablespoon sugar
- 1 tablespoon baking power

Combine egg, milk, yogurt, and melted butter in mixing bowl or blender. Stir until blended. Pour in dry ingredients. Beat with a wire whisk or mix with blender until batter is smooth. Drop by tablespoonfuls onto hot, lightly greased griddle. Brown on both sides. Makes 10 to 12 pancakes.

Left over batter can be refrigerated in covered container for several days. For each cup batter, it may be necessary to add one or two tablespoons of milk in which ½ teaspoon extra baking powder has been dissolved, just before cooking pancakes.

Educational Grants from Puget Power

In addition to informational programs, each year Puget Power offers education grants to students living in communities served by the Company. The grants are based upon financial need, personal qualities and individual achievement. We see them as an investment to provide new leaders and insure the economic future of our area. The grants are given in several subject areas such as, business administration, communications, education, engineering, environmental studies, home economics and physics.

Coloring Calendars Combine Fun with Learning

Last year Puget Power distributed 72,000 coloring calendars to elementary schools in our service area. This year's calendar will feature electrical safety and conservation tips in fun pictures for coloring.
