# Strawberry Jello with Sour Cream

## Ingredients

- 1 pkg. strawberry jello
- 1 small can crushed pineapple
- 1/2 cup hot water
- 1 pkg. frozen strawberries
- 1 carton sour cream

## Instructions

1. Dissolve jello in hot water.
2. Add pineapple and thawed strawberries.
3. Put one half of jello mixture in pan.
4. Let congeal, then cover with sour cream.
5. Put rest of jello mixture on top and put back in refrigerator.

# Strawberry Jello with sour cream

1 pkg. strawberry jello
1 small can crushed pineapple
½ cup hot water
1 pkg. frozen strawberries
1 carton sour cream

Disolve jello in hot water, add pineapple and thawed strawberries. Put one half of jello mixture in pan. Let congeal, then cover with sour cream and put rest of jello mixture on top and put back in refrigerator.
