3-6-9 Icing for Cake or Cookies

Ingredients

- 3 Tbsp butter
- 6 Tbsp canned cream
- 9 Tbsp brown sugar
- 2 cups powdered sugar

Instructions

1. Stir butter, canned cream, and brown sugar together and boil rapidly for 1 minute.
2. Remove from heat and beat 2 cups of powdered sugar into it until smooth and easy to spread.

Editor's Notes

- **"canned cream"** - evaporated milk sold in cans, commonly used in mid-20th century baking as a shelf-stable substitute for fresh cream. Also sometimes called "canned milk" or "evaporated cream."
